Hickory, NC 28601

I highly recommend them to anyone

PEI has been servicing our location every week for many years. They do a great job and are aware of the urgency of our needs. They are great when it comes to emergency repairs as well. We have never had any issues with their repairs... ever. I highly recommend them to anyone who needs electronic repair services.

We appreciate you reaching out! You can expect to hear back from us within a few hours during normal business hours.
